OPERATIONS ORDER NO. 3

March 19, 2018

SUBJECT: IMMIGRATION ENFORCEMENT REPORTING PROCEDURES

PURPOSE: The purpose of this Order is to establish procedures to comply with the California Values Act (CVA), effective January 1, 2018. Pursuant to the Office of the Chief of Police Notice, Immigration Enforcement Procedures, dated December 29, 2017, the Department is required to prepare semi-annual reports to be approved by the Board of Police Commissioners and transmitted to the California Department of Justice regarding working task forces with federal law enforcement agencies, criminal immigration enforcement actions, and any non-task force joint operations with United States Immigration and Customs Enforcement (US-ICE) or United States Customs and Border Patrol Protection (US-CBP).

PROCEDURES: The Office of Operations (OO) is responsible for tracking and documenting its involvement in participating in the above listed actions. The Office of Operations has created the “Immigration Enforcement Report,” which shall be used to document all required criteria.

I. REPORTING INFORMATION REQUIRED. The following information is required for inclusion in the semi-annual report;

Task Forces with Federal, State, and Local Law Enforcement Agencies

- The purpose of each task force;
- The federal, state, and local law enforcement agencies involved in each task force;
- The number and type of arrests made during the reporting period for each task force; and,
- The number of people arrested for civil or criminal immigration enforcement purposes by each task force.

Task forces with federal, state, and local law enforcement agencies generally involve a planned task force operation (e.g., Human Trafficking Task Force) where arrests are made for criminal enforcement purposes.

Note: When OO conducts a task force with federal, state, and/or local law enforcement agencies that also involve other Department entities outside of OO (e.g., High Intensity Drug Trafficking Areas-HIDTA, Federal Bureau of Investigation-FBI, Detective Support and Vice Division-DSVD), the primary reporting responsibility for these type of task forces will be the Office of Special Operations (OSO). To avoid duplicate reporting, OO will not report this task force when it is also being documented by OSO.
Non-Task Force Joint Operations with United States Immigration and Customs Enforcement or United States Customs and Border Patrol Protection

- The purpose of each non-task force joint operation with US-ICE or US-CBP;
- The total number of non-task force joint operation arrests; and,
- The number of non-task force joint operation arrests for civil or criminal immigration enforcement purposes.

A non-task force joint operation generally involves US-ICE or US-CBP calling a watch commander at an Area station and requesting officers to standby during an immigration related arrest. This is not considered a formal task force.

Criminal Immigration Enforcement Actions

- The number of people arrested for criminal immigration enforcement purposes pursuant to a judicial arrest warrant or judicial probable cause determination and transferred to federal immigration authorities; and,
- The number of people arrested and transferred to federal immigration authorities for violation of 8 U.S.C. § 1326(a), (b)(2), Illegal Reentry after Conviction of an Aggravated Felony.

Criminal Immigration Enforcement Actions generally involve instances where a stop of a person occurs, a want/warrant check is conducted on this person, and there is an NCIC hit for a judicial warrant or an immigration violator’s record indicating the person was a previously deported criminal.

Note: Department personnel shall obtain approval from the Department’s Immigration Liaison Officer (DULO) prior to conducting a probable cause arrest for a violation of 8 U.S.C. § 1326(a), (b)(2), or transferring a suspect to federal authorities such as US-ICE or US-CBP based on a probable cause arrest for 8 U.S.C. § 1326(a), (b)(2). The DULO can be contacted via the Department Operations Center at (213) 484-6700.
