

# **A Day without Crime.**

**On Thursday February 13, 2014 we recorded**

**ZERO** 

**crimes in Foothill Area.**

It's true. Department records indicate that **zero crimes were recorded in Foothill on February 13, 2014** for the first time in our 50 year history.

This is a tremendous achievement and a milestone for Foothill Area. To record zero crimes in a 24 hour period in a 50 square mile area of the San Fernando Valley, home to more than 250,000 people, is a tribute to the teamwork, the work ethic and the dogged determination of the police officers, detectives and civilian personnel that strive everyday to make Foothill Area a safer place to live, work and play.

So, stop by the Watch Commander's Office and have yourself a zero-shaped Krispy Kreme Doughnut courtesy of the Foothill Area Booster's Association. Gotta love Foothill !
