DEPARTMENT MANUAL
VOLUME 0
Revised by Administrative Order No. 8, 2017

082. MAINTAINING AND UPDATING FUNCTIONAL MANUALS. Within the Department, there are a number of functional manuals which establish a centralized reference document for various specialties. These functional manuals, such as the Detective Operations Manual and *the* Manual of Juvenile Procedures, are maintained by the command having functional responsibility for the manual's subject matter.

The bureau commanding officer of the entity having responsibility for a functional manual shall be responsible for approving updates, maintaining, and distributing those functional manuals. Updates shall be completed as necessary to ensure a current reference on the subject matter is available to Department personnel. The Chief of Police must approve establishment of new manuals, but once approved, bureau commanding officers are responsible for approving functional manual amendments.
