Crime Report  
There has been a total of twenty-six part one crimes reported between January 27, 2013 and February 23, 2013. We continue to see a big reduction in crime since late last year. Let’s keep up the good work. Protect yourself and your property. Lock your doors, hide property and don’t become a victim. Recently, Rampart Division has been handing out “crime alert” fliers in these areas as part of our “Hide it, Lock it, Keep it” campaign. Below is a breakdown of the part one crime. Remember to always report suspicious people in your neighborhood to the police department.

- Homicide: 1  
- Rape: 1  
- Robbery: 4  
- Assault: 5  
- Burglary: 1  
- Burglary from Auto: 8  
- Theft: 3  
- GTA: 3

It is important to remember that criminals often prey on those who are unaware of their surroundings or pre-occupied with something else. Be aware at all times and pay particular attention as you walk or drive down streets. It is worth noting that most of the crimes are occurring between the hours of 12:00 a.m. and 6:00 a.m. That is not an opinion, it is fact, and remember to “Like us” on Facebook to receive crime updates in your neighborhood.

BOUNDARIES:

The boundaries for Basic Car 2A17 are from Temple St north to Sunset Bl between Glendale and Coronado and Temple St south to 3rd St between Alvarado and Occidental.

HOW TO GET INVOLVED:

I would encourage all citizens within this basic car area to get involved in the community. The Community Police Advisory Board meets every 1st Tuesday of the month at 6:00 PM, Rampart Village Neighborhood Council meets every 3rd Tuesday of the month at 5:30 PM, and Greater Echo Park Elysian Neighborhood Council meets the 4th Tuesday of the month at 6:30 PM. There is also numerous neighborhood watch groups that meet periodically to discuss issues within their communities and problem solve.

If you are interested in becoming more informed about what is occurring in your community or would like to meet additional residents in the area who share the same interest in keeping your community safe and clean, please contact me for the meeting locations.

KNOWING THE COMMUNITY AND DECREASING CRIME:

It is important to know your neighbors and other residents within your community. This interaction helps residents identify who might or might not belong in the area as well as their intentions. When community members get to know their neighbors they tend to look out for one another including each other’s property. This extra pair eyes are what will assist us in decreasing property crimes. Be a good neighbor. If you see something that doesn’t look right, it probably isn’t. Call the police and let us determine through investigation if a crime occurred. Your neighbor will thank you and be more apt to repay the favor.

CRIME REDUCTION:

Our goal is to build a partnership where we work together to reduce crime, problem solve and continue the beautification efforts for the City of Los Angeles. One way we combat crime is in

enforcing trespass violations. This allows us to keep both vacant and working properties free from vandals, burglars and thieves. If you are a property owner or manager, please post LAMC No Trespassing Signs and be sure to sign a Trespass authorization letter at Rampart Station.

ADDITIONAL:
Please use 311 for bulky item pick-up and graffiti removal. If you live in an apartment complex or manage a complex please contact me if you are interested in organizing a bulky item drop off event. These types of events can be coordinated and organized through the Senior Lead Officer and the council district office. It is important to keep the community free of abandon bulky items which draw groups to loiter and drink. In addition, these bulky items usually accumulate and become an eyesore in the community.

Traffic concerns:

Lock it          Hide it          Keep it
There are two main traffic concerns in A39’s area. The first is the Triangle intersection located at Bellevue St, Marion Av, and E. Kensington Rd. This intersection has (8) directions with posted Stop Signs. Please be aware if you pass through this area and drive safely.

The second location is at Union Av and Court St. The crosswalk at this location is used by many school children who attend Our Lady of Loretto. Southbound and northbound vehicle traffic is traveling at high rates of speed making it unsafe for pedestrians in the crosswalk.

If you have any traffic concerns near your residence please call me at (213) 793-0775 and let me know what your concerns are.

Crime Trends:
The main problem in the area continues to be the illegal vending that stretches along 6th St and down the Alvarado Corridor. The illegal vending is a violation of the Los Angeles Municipal Code and can lead to being cited or arrested. We are working closely with the business owners as well as the illegal vendors themselves to address the problem. We are continually deploying resources, including Senior Lead Officers and the Bicycle Unit, to deal with the illegal vending issues.

If you observe suspicious activity, contact the police immediately by calling 911 (Emergency) or 877-LAPD 24 7 (Non Emergency).

We have seen a large increase in the number of Burglary from Motor vehicles throughout my area. It is important to make sure you lock your vehicles and hide any property which may be in view of people walking by. Some of the areas that have seen an increase in Burglary from Motor Vehicles include 7th St and Alvarado and Beverly and Burlington.

We have had an increase in the number of robberies occurring in the last couple of months. The robberies seem to be mostly occurring in the area of 7th St between Burlington and Alvarado and on Alvarado between 7th St and Wilshire Bl.

If you witness a crime or see something unusual please report it or contact Crime Stoppers at (800) 222-Tips (8477).

The year is beginning with a slight reduction in Violent crimes for the Basic Car, but we are seeing an increase of 28% in property crimes.

Last year, we had a campaign of giving flyers to all schools and community watch groups to remind everyone to Lock It, Hide It, Keep It. The majority of car break-ins occur in a vehicle where property is clearly visible. Please remember to take property with you or to place it in the trunk. Always lock and secure your vehicle when you leave it, regardless of the short amount of time. Many car burglars are opportunists. If they see an easy target, they take it.

BOUNDARIES

The boundaries for Basic Car 2A75 are from 7th St south to 11th St between Union Ave and Lake St. James M Wood south to 11th St between Lake St and Hoover St.

HOW TO GET INVOLVED:

I would encourage all citizens within this basic car area to get involved in the community. The Community Police Advisory Board meets every 1st Tuesday of the month at 6:00 PM; Westlake Protectors Neighborhood Watch meets every 1st Thursday of the month at 6:00pm. The 2nd Wednesday of every month is Westlake Project Area Committee Meeting which takes place at 1625 W. Olympic Bl on the 10th floor, Suite 1000. Westlake South Neighborhood Council meetings are held the 4th Monday of every month at 1605 W. Olympic Bl on the 9th floor. This committee meets to discuss and plan improvements for the Westlake Area and well as organize upcoming events. There is also numerous neighborhood watch groups that meet periodically to discuss issues within their communities and problem solve.

CRIME REDUCTION:

We have recently seen an increase of Robberies in the Westlake area. Please be cognizant of your surroundings as you walk from point A to point B. Criminal opportunist prey on victims that have visible electronic devices in their possession and visible jewelry. If you will be walking around alone or late in the evening try not to wear jewelry or have jewelry visible. Make sure that you are attentive and not too involved on your cell phone or texting with your

head down. Most importantly wearing earphones prevents you from hearing someone walking behind you and also lets a criminal opportunist know that you have either a cell phone or other MP3 electronic device on you.

ADDITIONAL:
We are still having a problem with bulky items being placed in the alleyways and on the sidewalks that often stay there for weeks. Please use 311 for bulky item pick-up and graffiti removal. If you live in an apartment complex or manage a complex please contact me if you are interested in organizing a bulky item drop off event. These types of events can be coordinated and organized through the Senior Lead Officer and the council district office. BOUNDARIES:
The Los Angeles Police Department Rampart Division is responsible for patrolling the Pico-Union area of Rampart.

CRIME TRENDS:
Community members and Police need to continue to work in partnership together so we can keep crime down in 2013 for Pico Union area. Property crimes seem to be the target early on this year so please remember to lock up your houses and vehicles and don’t have any valuables anywhere visible. These small or big valuables are what makes you become a victim of a crime.

Burglaries have increased over the past month in the Pico Union area. Please be a good neighbor and if you see something that looks suspicious or just does not seem right call PD and report it.

Lock it    Hide it    Keep it

Please help our community by calling 3-1-1 for Graffiti removal and Bulky Item pick up. Let’s all take a few minutes to help make the community a cleaner and better place.

**TRAFFIC CONCERNS:**
Please remember to drive safely at all times especially during heavy traffic hour when there is a lot of pedestrian activity. Please be extra cautious in school areas when children are coming and going from school. Washington and Union Ave has been a problem intersection for traffic accidents so please be extra cautious while conducting left turns there. Give yourself enough time to get places so you do not have to speed through residential areas.
