Crime Update

Basic Car 9A5:

Senior Lead Officer Katy Paschal

Cell Phone: 818-731-2556

Email address: 36128@lapd.online

Crime Trends/Statistics

As of May 12, 2018, we are down in Violent Crimes by -4.08% and -20.78% in Property Crimes, bringing our year-to-date crime reduction to -18.09% in comparison to last year. Robberies are down -10% although we saw a slight uptick in the previous month. Aggravated Assaults are up 13.64%. However, most of the assaults involve some relationship between the suspect and victim and are not random attacks. To put this into perspective, we have had 249 crimes as opposed to 304 this time (as of May 12) last year. The division is down -11.06% in total crime reduction.

Burglary/Theft from Motor Vehicles (BTFV) has historically been the Basic Car’s Achilles’ heel. I am happy to report that BTFVs is down over -35%! Continue the good work of not leaving items in your vehicles to

prevent the temptations of theft. By incorporating cleaning out your car as part of your daily/nightly routine, it will eventually become a habit and will occur automatically.

As we move into summer and the warmer months, please do not leave children or animals unattended in vehicles. Studies show that the temperature inside a closed/locked car can rise substantially above the outside temperature. High heat can cause severe injuries or even death.

National Night Out is on Tuesday, August 7, 2018. If you are interested in hosting a neighborhood event, please call me as soon as possible.

Please inform me (or your respective Senior Lead Officer) of any issues you are having with encampments. The faster we become aware of it, hopefully, the quicker we can address it. If you need to report an encampment, please be sure to call 311 or use your mobile app to request the Department of Sanitation to respond.

Remember, Nextdoor.com, Twitter, and your SLO's City cell phone/email is **not for reporting crimes or for generating radio calls**. For non-emergencies call 1-877-ASK-LAPD (1-877-275-5273), and for emergencies dial 911. Please refrain from calling the front desk if you need officers to come out on a radio call. The front desk officers are here to take telephonic reports and answer questions, not to dispatch calls.

Basic Car 9A19:

Acting Senior Lead Officer Mike Perez

Cell Phone: 818-731-2566

Email Address: 35569@lapd.online

Crime Trends/Statistics

Basic Car 9A19 encompasses the area of Sherman Way to the north, Victory Boulevard to the south, Van Nuys Boulevard to the west and the Tujunga Wash to the east. As of May 12, 2018, Basic Car 9A19 has decreased by -21.49% in overall Part 1 crimes year-to-date, and Property Crime has decreased by -29.47%.

Recently, I have received numerous complaints regarding large Recreational Vehicles (RVs) parked in residential neighborhoods. The Vehicle Dwelling (LAMC 85.02) Code map outlines the restrictions and allowances of vehicle dwelling in the Van Nuys Area. Copy of map is available on the LA City 311 mobile application. Although there are exceptions for vehicle dwelling on certain streets, all vehicles must comply with posted parking restrictions. To report vehicles parked on streets longer than 72 hours, call the Department of Transportation (DOT) dispatch at (818) 374-4823 or your Senior Lead Officer.

Although Property Crime has decreased by -29.47% year-to-date from last year, Basic Car 9A19 averages approximately twenty (20) property crime reports per month. Most of these crimes include burglary and thefts from vehicles which can be avoided by merely locking and securing your home and vehicle. Thieves and burglars are opportunists. An unlocked residence or an unlocked vehicle is an opportunity for thieves to take your belongings. Please remember do not leave items of value in your vehicle and to "Lock it, Hide It, Keep It."

Basic Car 9A23:

Senior Lead Officer Erika Kirk

Cell Phone: 818-731-2557

Email Address: 37525@lapd.online

Crime Trends/Statistics

Thankfully, Basic Car 23 which covers the central portion of Van Nuys, has maintained an overall decrease - 3.85% in Part 1 Crimes year-to-date. Violent Crimes has a slight increase year-to-date of 9.84%, although there is a decrease in Homicide and Assaults. The increase in Violent Crimes is due to street robberies which are occurring along the Van Nuys Corridor. There is also a decrease 7.17% in Property Crimes year-to-date.

Historically, Property Crimes has been one of the main concerns for Basic Car 23, especially along the major corridors such as Vanowen Street and Sherman Way. As we continue to navigate through the year, please don't become complacent by leaving valuables in your vehicle or the doors unlocked. Most of the property crimes are related to Burglary Theft from Motor Vehicles affecting cars that are parked in the LA Fitness parking lot at 6161 Sepulveda Boulevard. I am working closely with the security officers and LA Fitness management team to deter the auto-related crimes occurring in their parking lot. Be aware of the potential risks even if you lock items in your trunk. Pay attention to who's watching you and remember, "Lock It, Hide It, Keep It!"

I've been working with our Homeless Outreach Unit, Department of Sanitation, and Cal Trans to assist with the encampments in and around Basic Car 23 especially along the Van Nuys Corridor. If you need to report an encampment, please be sure to call 311 or use LA City 311 mobile app to request Department of Sanitation to respond. The permits to build a new apartment complex at 6569 Van Nuys Boulevard are in the works and demolition will begin soon.

The My LA 311 app can be downloaded to your mobile device and used to report bulky items, graffiti, and broken streetlights. Help be part of the solution by using the app to clean the community we share.

If you live in an apartment or condominium complex, please don't hesitate to reach out to start an "Apartment Watch" group. I've found that these meetings are a great way to educate and bring together a community.

Basic Car 9A37:

Senior Lead Officer Justin Bergmann

Cell Phone: 818-731-2562

Email Address: 32052@lapd.online

Crime Trends/Statistics

As of May 5, 2018, my area is continuing to decrease in crime with a total reduction of -14.89% in overall Part 1 crimes, with Property Crime decreased by -17.62%. Violent Crime has increased slightly by 8%. Overall, the crime rate in my area is improving in all categories except Burglaries. Please review our crime prevention section to reduce your chances of becoming a victim.

Please remember not to leave any items in your vehicles "Lock It, Hide It, Keep It" to help prevent your vehicle from being targeted.

We continue to see bicycle thefts in the area. If you own a bicycle, please make sure you secure it with a quality lock that cannot be easily cut. Also, when storing your bike, try to keep it in your residence or a closed, locked storage area or garage. Most bicycles are stolen from underground parking garages and storage areas. Lastly, please make a note of your bicycle serial number, usually located under the frame below the pedals. The serial number is essential if the bicycle is stolen, so police can positively identify it as stolen property. Many stolen bikes are quickly painted and made to look different, and without a serial number it can be difficult for us to identify.

Continue to build Neighborhood Watch participation in Valley Glen to combat residential Burglaries is the goal for this year. I will be working with the Valley Glen Neighborhood Association to increase membership, participation, and education. Please contact me if you would like to become involved.

Safeguard your home by making sure your residential doors and windows are securely locked when you're not home. Use an alarm and video surveillance cameras. Also, place signs around your home warning of an alarm system and cameras to deter would-be thieves.

Basic Car 9A41:

Senior Lead Officer Tony Cabunoc
Cell Phone: 818-731-2560
Email Address: 25170@lapd.online

Crime Trends/Statistics

The current crime trend in Basic Car 41 is the rash of burglaries of apartment complex laundry machines. Suspects, described as male Caucasians, enter complex laundry rooms to break into coin-operated washers and dryers. Suspects come well prepared with tools of the trade. Suspects with hoodies and backpacks enter the complex and proceed to the laundry room; there they proceed to pry and break open coin boxes. Suspects appear to have no fear of confrontation since some of these crimes have occurred during daytime hours. Detectives are reviewing video that captured the suspects at work. Residents should be aware of any trespassing suspects loitering on apartment complexes or entering the laundry area. Suspects were last seen along the 14100 block of Burbank Boulevard. Don't confront suspects. Call the police and provide the best description possible. Note direction of travel and whether suspects fled on foot or in a vehicle. Try, if safe, to get a vehicle license plate. Please remember, don't place yourself or your family in harms-way for coins.

Burglary from Motor Vehicle is also on the rise. Keep all property out of your vehicle and practice "Lock It, Hide It, Keep It."

Basic Car 9A63:

Senior Lead Officer Trent Berry
Cell Phone: 818-731-2563
Email Address: 27270@lapd.online

Crime Trends/Statistics

Basic Car 9A63 covers the northern portion of Sherman Oaks. As we head into June, I currently show a decrease of- 4% in Property Crime and a decrease of- 31% on Violent Crimes. Although my numbers look good now, there is still activity going on. The two areas of concern are vehicle break-ins and Grand Theft Auto (GTA). Most incidents involving vehicle break-ins are taking place during the midnight hours, while most of us are asleep. Please be mindful of this and properly secure your vehicles and avoid leaving property inside. With regards to GTA, try to avoid parking in isolated spots and utilize a driveway versus the street whenever possible. Please be mindful of tracking your packages when ordering online. If you cannot be home to receive it, consider a drop off location or ask a trusted neighbor to pick-up your package. This should help to reduce your chances of being victimized. Please call to report suspicious activity in your neighborhood.

Finally, please continue to be mindful of not leaving valuables inside your vehicles. This will help to reduce your chances of being victimized by the crime of Burglary Theft from Motor Vehicle. Remember to "Lock It, Hide It, Keep It."

Basic Car 9A89:

Senior Lead Officer Jose Saldana
Cell Phone: 818-731-2565
Email Address: 30853@lapd.online

Crime Trends / Statistics

Basic Car 9A89 covers the southern portion of Sherman Oaks and a small portion of Studio City. I show a decrease in total Property Crimes of 22.19 % from last year, and -6.9% decrease in violent crimes.

After reviewing the Burglary/Theft from Motor Vehicles (BFMV/TFMV) reports, numerous victims continue leaving their valuables in plain sight and not locking their vehicles. I will continue to attend community/business meetings emphasizing "Lock It, Hide It, Keep It."

Please email me any suspicious activity in the form of videos or photos. This can be our most significant source of information for developing leads on open cases. Please help us help you by being aware of what's going on in your neighborhood. Remember, the best way to avoid becoming a victim yourself is to remove all valuables from your vehicle every time you leave it. Do not leave anything that is not attached to your vehicle in plain sight. Make sure your cars and homes are locked and secured using as many crime prevention tools as possible.

Remember, Nextdoor.com, Twitter, and your SLO's City cell phone/email is not for reporting crimes or for generating radio calls. For non-emergencies call 1-877-ASK-LAPD (1-877-275-5273), and for emergencies dial 911. Please refrain from calling the front desk if you need officers to come out on a radio call. The front desk officers are here to take telephonic reports and answer questions, not dispatch calls.

Crime Prevention Tips

- ***LOCK YOUR WINDOWS AND DOORS*** when you leave the house. Close your blinds/drapes so no one can see into your house. Keep every part of your residence locked and secured, including your garage.
- ***DON'T LEAVE EXPENSIVE ITEMS OUT*** place them in a drawer, safe, or somewhere else out of sight.
- ***TAKE YOUR ELECTRONIC ITEMS OUT OF YOUR CAR!*** This includes your cell phones, computer tablets, other portable electronics, and chargers.
- ***LOCK YOUR CAR AND PARK IT IN A GARAGE OR LIGHTED AREA.*** Make it difficult to get into your car. If it is outside, make your car as visible as possible.
- ***IF YOU'RE HOME AND SOMEONE KNOCKS OR RINGS YOUR DOORBELL, DO NOT IGNORE IT.*** Would be burglars like to knock to determine if someone is home before attempting to break in. So, please make sure you verbally acknowledge the person without opening the door. If you have not invited someone to your home, you should not open the door for them.
- Video cameras are becoming an affordable option to help reduce your chances of becoming a victim. Please consider this option to protect your home.
