

Captain's Message

I would like to wish all of you a Happy New Year! I hope 2015 was a good year for all of you, and I am looking forward to what I hope will be a fantastic New Year.

I would like to share our crime statistics with you. For 2015, the Van Nuys Area has set a goal of reducing Part I crimes by 2%. In the last four week period of November 22, 2015 to December 19, 2015 as compared to the previous four week period of October 25, 2015 to November 21, 2015, we have seen a decrease of -18.2% in Violent Crimes. We have a decrease of -12.1% in Property Crimes, and a decrease of -12.9% in Part I crimes. Burglary Theft from Motor Vehicles and Grand Theft Auto continues to be a challenge.

I would like to encourage all of you to participate or start a Neighborhood Watch program, and to think about joining our Community Police Advisory Board (C-PAB) or the Mid-Valley Community Police Council. These two groups are an integral part of Van Nuys Community Police Station's relationship and outreach with the community. The C-PAB Co-Chair is Penny Meyer. The President of our MVCPC Executive Board is Larry Hanna. If you would like information about the meetings for the C-PAB or MVCPC, please contact Sergeant II Rudolph Valadez, Community Relations Office at (818) 374-9409, or Sergeant I Maria Pedroza, Senior Lead Office, at (818) 374-5401.

LILLIAN L. CARRANZA, Captain
Commanding Officer
Van Nuys Area

Who to Contact?

Please report any suspicious activity or persons by calling the Los Angeles Police Department Non-Emergency phone number at: 877.ASK.LAPD. For crimes in progress dial: 911.

Keep our community clean! Call: 311 or visit <http://lacity.org/MyLA311/index.htm> to report graffiti, bulky items on the street or sidewalks, and shopping carts in the area. You can also download the MyLA311 Smartphone Mobile Application to submit your report. Keeping the streets clean shows the criminals that we have pride in our community and we will not tolerate their activities.

If you would like information on resources available to support or counsel victims of domestic violence, Call the City of Los Angeles “211” support number (option 7) or www.211LA.org.

For more information about domestic violence see the LAPD webpage, where you will find online Information and resources to go to:

Crime Trends/Statistics

Compared to the same time last year, there has been a reduction of crime involving Personal Theft by -8.4%. There has been an increase of crime by 18.2% YTD. The crimes causing the increase continue to be Burglaries (61.6%), Robberies (39.3%) and Aggravated Assaults (58.2%) YTD. Remember to lock and secure doors when you leave the house. If possible at night time, leave some lights on or install motion sensor lighting around the house. In addition, if you go on a trip for an extended period of time the more cars in the driveway the better. This usually indicates people are home and helps deter residential burglary activity.

Take some time to make sure you are doing everything you can to reduce your chances of becoming a victim. There are many things that can be done to help reduce those chances. Please review our crime prevention section at (http://www.lapdonline.org/crime_prevention) to see what you can do to make your home and neighborhood safe.

Another excellent resource for keeping your neighborhood safe is to get involved with Nextdoor.com to further enhance our ability to work hand and hand with your neighbor. Nextdoor.com is an internet site that you can only join as a verified resident in your neighborhood. It is a great way to keep up with what is going on with your neighbors and stay aware of what is happening in YOUR specific area.

Crime Prevention Tips

If you see graffiti please phone 311, so they can generate a file number and clean it up. You can also download the MY LA 311 to your mobile device/smart phone. Simply take a photo, geo match your location, and send the graffiti removal request. You will then receive a confirmation the request was received and e-mail once the graffiti was removed. You can also utilize this application for other things like, TV's, couches, and other bulky items. 311 is also an excellent resource for street services.

Remember, "Lock it, Hide it, Keep it" when it comes to your vehicles. Please remove, or at the very least hide, all items from your vehicle when parking it. This is YOUR responsibility. If you leave things visible in your vehicle, they will be stolen. Don't be a victim.

Crime Trends/Statistics

Back in March, I spoke about a rash of gate motor thefts that were occurring in the area. I am happy to announce that the suspect has been caught! He was actually caught in the act in Mission Division by a homeowner who notified police. Detectives believe he is solely responsible for our gate motors (approximately 13) and almost 20 in Mission Division!

Thankfully, we have seen a decrease in both Violent Crimes (+45.8%) and Property Crimes (+13.0%) as of November 14, 2015 (as compared to +48.7% and +16.2% from October 10, 2015). This gives us an overall increase of 19.0%. Even though our percentages are high compared to last years, we still have the second lowest number of ACTUAL crimes at 538 (YTD 11-14-15).

Crime Prevention Tips

Please be mindful of your shopping habits. If you order items online and are unavailable to be there when they are delivered, try to arrange an alternate person/location that can sign for your goods to ensure you receive them safely.

I want to remind everyone that if you want to have Neighborhood Watch meetings to please contact your block captain and set something up.

I get a lot of questions from people asking how they can report violations to Building and Safety. You may do this online at www.ladbs.org or by downloading their new free phone application "LADBS Go." By utilizing either of these options, you may report building code violations, request for inspections, or check the status of pending or prior permits.

Have you downloaded the MyLA311 application on your smartphone? This is great tool to report issues to several different city agencies. I personally use it while on patrol to request graffiti removal, bulky item pick-up, illegal dumping, and other non-criminal service requests. As soon as you send in your request you will get a confirmation email that it was received, as well as an email once your request has been handled.

I want to wish everyone all the best as we enter the New Year!

Crime Trends /Statistics

As the year comes to an end, Basic Car 23 had a total increase of crimes by 9.3% compared to last year, which overall is lower than all but one other Basic Car in the Division. Our total property crimes increased by 3% which is a difference of 18 total crimes YTD. As we move forward into next year, I would like to see these numbers decrease. I firmly believe that if the communities can come together in partnership with the Department we can cohesively move forward. Our burglaries are down -8.0% which is a great decrease overall. I hope with the continued partnerships and Neighborhood Watch groups we can start off the new year in the right direction.

Crime Prevention Tips

If you see graffiti please report it to 311. You can also download the MY LA 311 mobile app to your smart phone. Simply take a photo, geo match your location, and send the graffiti removal request. You can also utilize this app for other things like bulky item pick up as well as street services.

The non-emergency number (**1-877-ASK-LAPD**) is ideal and the most common number used, but if it is an emergency, like one of the instances mentioned above, please call **911**. Don't forget to reach out to one another and stay in touch via Nextdoor.Com.

Valley Glen Basic Car Area 9A37

Senior Lead Officer Justin Bergmann

Cellular Phone: 818-731-2562

Email Address: 32052@lapd.lacity.org

Crime Trends/Statistics

The overall crime numbers have continued to come down to 18.9% above where we were last year. Even better news is that if we look at the raw crime numbers in A37's area, we continue to have the lowest number of reported crime in Van Nuys Division at about 529 total crimes YTD. The most prevalent crime in Valley Glen continues to be stolen cars, car break-ins, and thefts.

Safeguard your home by making sure your residential doors and windows are securely locked when you are not home. Use an alarm and video surveillance cameras. Also, place signs around your home warning of alarm system and cameras to deter would be thieves.

Crime Prevention Tips

Take special care when having packages delivered to your residence. Try to arrange to have things delivered when you will be home or have them shipped to your work place. Don't become a victim of this type of theft.

PLEASE don't leave valuables inside your vehicle. This is an invitation to a criminal to gather your items for you (and not return them). Car alarms are a good deterrent. Anything that can bring sound or lighting to your property is a plus. Please remember this easy slogan, "Lock it, Hide it, Keep it."

Thefts can be prevented by keeping strong hold on your wallet and purse. When at the local stores, make a habit of placing your wallet/purse directly in front of you. Never place it down or leave it to your side. The more the items are out of your direct view the more likely a theft can occur.

Always look around and be aware of your surroundings. Criminals are looking for people that look like a victim and don't usually want to be seen, so look up and take notice of your surroundings.

Use the "myla311" smart phone application to report graffiti removal, fallen tree branches, and bulky items that need to be picked up not only at your home but report it in your surrounding neighborhood.

Don't put up with suspicious characters on your street. Don't wait for your neighbors to tell you that they were broken into when you saw that strange looking person the night before near their car. Please use the 1-877-ASK-LAPD (Non-emergency line) to report any suspicious activity.

Crime Trends /Statistics

Property Crimes year end crime numbers in Basic Car 41 ended plus 9%. Although we saw some decline in reported crimes it appears our work is cut out for us in 2016. Grand Theft Auto (GTA) followed by personal theft/other theft, show a significant jump compared to last year's numbers. Continued follow-up with auto detectives and a review of crime patterns has not led us

to any suspect or pattern of which to target. Therefore, we are urging that we use all crime prevention applications this coming year. As for theft crimes, we have found some partial success. Through communication, video and timely reporting, our Neighborhood Watch block captains and Police Community Representatives were able to piece together leads and present them to the police and detectives. The female Caucasian who was captured on several exterior residential cameras taking delivered packages was just apprehended on the 16th of December, just three weeks after the last recorded incident. She was spotted by officers north of Victory Boulevard making off with two just delivered packages. Detectives are completing their investigation requesting filings for multiple counts. Again, the eyes and ears of the community working together provided the leads for officers to have solid probable cause to detain, investigate, and arrest this neighborhood Grinch. Happy New Year!

Crime Prevention Tips

Harden the target! Make it difficult for suspects to approach your home without being detected. An early warning system via a smart phone along with exterior cameras allows you to alert police and neighbors to someone trespassing on your property. Once they are inside it is too late. Help your community against such crimes. Report suspicious activity and remind neighbors of the importance of not leaving valuables inside vehicles. “Lock It, Hide it, Keep it.”

Crime Trends / Statistics

Happy New Year! I’m looking forward to continuing our partnership as we move forward in 2016. We ended the year slightly up in property crime about +3% overall, as compared to the year prior. Moving forward, my efforts are still focused on the reduction of property crimes. Working together in partnership, I know we can make a difference for the Sherman Oaks community. With that being said, I encourage everyone to participate in a Neighborhood Watch program. Get to know your neighbors and interact with your local police department, it works! Please continue to take extra precautions in securing your vehicles and not leaving property behind, this will help reduce the incidents of Theft from Motor Vehicle. My Neighborhood Watch groups have been asked to forward the word and to put crime prevention measures into practice. I cannot stress enough the importance of removing valuables from inside your vehicles. This simple step will help to maintain our reductions in property crime.

Crime Prevention Tips

Let us watch out for one another as a community and be the “eyes and ears” for your Police Department. Please report all suspicious activity in your neighborhood. To combat auto theft, try to utilize a theft deterrent device such as steering wheel locks, alarms, etc. Be mindful of keeping doors and windows locked when leaving your residence. Often these points of entry are forgotten and left unsecured.

Crime Trends / Statistics

We ended the year with an increase of property crime of 21% overall. With your help, I would like to reduce Property Crimes and conduct more Neighborhood Watch meetings for the Sherman Oaks Area. I am still experiencing night time business burglaries along Ventura Boulevard between Woodman Avenue and Fulton Avenue. Please remember to secure your homes and businesses when away and talk with your neighbors about reporting suspicious activity. Owners are given suggestions on how to improve the property exterior, posting no trespassing signs and make it less inviting. Further suggestions include improved lighting, security gates, fences, cameras with real time feed to a smart phone, and on-site managers go a long way toward abating the criminal element. Happy New Year!

Crime Prevention Tips

The Department continues to push its slogan in the battle against vehicle break-ins **“Lock it, Hide it, Keep it.”** Please help us help you by being aware of what is going on in your neighborhood and reporting any suspicious activity. Remember, the best way to avoid becoming a victim is to remove all valuables from your vehicle every time you leave it. Too many people continue to make themselves an easy target for Burglary from Motor Vehicles by leaving valuables in plain sight inside their vehicles. Please remember, what may not be valuable to you may be extremely valuable to someone else. Things such as coins, CDs, clothing, cell phones, laptop computers, GPS units, and purses are just some of the targeted items. You must keep your vehicle free of any visible items to reduce your chances of becoming a victim. **REMEMBER, “LOCK IT, HIDE IT, KEEP IT.”**

If you see graffiti please report it to 311. You can also download the MY LA 311 mobile application to your smart phone.
