Senior Lead Officer Katy Paschal

Cell Phone: 818-731-2556

Email address: [36128@lapd.online](mailto:36128@lapd.online)

#### **Crime Trends/Statistics**

As of October 14, 2017, we are down -5.6%. We are still consistently up in auto related crimes (Burglary/Theft from Motor Vehicles +31.0% and Grand Theft Auto 27.5%). I am happy to report that during the period of September 17 to October 14, 2017, the Basic Car only had one (you read that right, one) Burglary! It occurred on September 22, 2017. That means we went three weeks without a single Burglary! Great job everyone!

If you plan on doing a lot of holiday shopping out and about, don't make "runs" to your vehicles to drop off your shopping bags. You never know who is watching you walk out with your brand-new presents!

We have all seen the increase in transient encampments within the City. I am working with our H.O.P.E. (Homeless Outreach Proactive Engagement) Unit, Bureau of Sanitation, Street Services, Council District 2 and 6, as well as, several different outreach services to address these as best and as fast as we can. Before locations can be scheduled for a full clean-up, several outreach attempts must be attempted. This takes a little time, as transients are just that, transient. Many times, we will speak to them at one location and then we must locate them again somewhere else. This makes the outreach process very time consuming. Once a clean-up is done, it does not prohibit them from returning, sometimes right after we leave. Please let me (or your respective Senior Lead Officer) know of any issues you are having with encampments. The faster we become aware of it, hopefully the faster we can address it.

Remember, Nextdoor.com, Twitter, and your SLO's City cell phone/email is **not for reporting crimes or for generating radio calls**. For non-emergencies call 1-877-ASK-LAPD (1-877-275-5273), and for emergencies dial 911. Please refrain from calling the front desk if you need officers to come out for a radio call. The front desk officers are there to take telephonic reports and answer any questions, not dispatch calls.

Senior Lead Officer John Bailey

Cell Phone: 818-731-2566

Email Address: [33445@lapd.online](mailto:33445@lapd.online)

**Crime Trends/Statistics**

Basic Car 9A19 encompasses the area of Sherman Way to the North, Victory Boulevard to the South, Van Nuys Boulevard to the West and Tujunga wash to the East. As of October 14, 2017, Basic Car 9A19 had seen a decrease in the following crimes: Year-to-date, total violent crimes down -16.1 %, Robbery is down -37.5 %. Residential Burglaries are down -12.1 %, and Personal Theft crimes are down -19.0%. However, there has been an uptick in crimes involving Burglary Theft from Motor Vehicles, up by 8.9%.

The Holidays are just around the corner, so please take care of yourself and your "Precious Cargo." ARRIVE ALIVE, DON'T DRINK AND DRIVE! If you over indulge this Holiday Season, please utilize one of the many ways to get a safe ride home. It's not worth hurting yourself, your loved one, or someone else.

If you plan on being out of town for an extended period, please arrange to have parcels/ packages placed on hold at your nearest mailing annex/ hub. This helps deter crime and reduces the chances of you becoming a mail theft victim. Please lock and secure doors when you leave the house. If you go on a trip for an extended period, the more cars in the driveway the better. If possible during hours of darkness, leave some lights on or install motion sensor lighting/ timers around the house. This usually indicates people are home and helps deter/reduce residential Burglary activity.

**Basic Car 9A23:**

Senior Lead Officer Erika Kirk

Cell Phone: 818-731-2557

Email Address: [37525@lapd.online](mailto:37525@lapd.online)

**Crime Trends/Statistics**

Basic Car 23 is down -4.5% in overall Part 1 Crimes Year-to-Date. Violent Crimes are also down -10.8% Year-to-Date including a decrease in Homicide, Rape, Robbery, as well as Aggravated Assaults. There is an increase in property crimes bringing the total to 9.4% over Year-to-Date. This is due to an uptick in Burglary Theft from Motor Vehicles (8.6% YTD), Burglary (25.4%) and Grand Theft Autos (31.9% YTD). We are down (-2.4%) in thefts.

Most of the property crimes are related to Burglary and Theft from Motor vehicles. Never leave valuables in your vehicle and be sure to lock your vehicle upon exiting even if it's parked in your driveway.

I've been working with our Homeless Outreach Unit to assist with the encampments in and around Basic Car 23. If you need to report an encampment, please be sure to call 311 or use your mobile app to request sanitation to respond. Remember, Lock It, Hide It, Keep it!

If you live in an apartment or condominium complex, please don't hesitate to reach out to start an "Apartment Watch" group. I've found that these types of meetings are a great way to educate and bring together a community.

In light of the recent events that unfolded in Las Vegas, I would like to remind you to stay vigilant, know your surroundings, and have a plan. If you see something, say something.

**Basic Car 9A37:**

Senior Lead Officer Justin Bergmann

Cell Phone: 818-731-2562

Email Address: [32052@lapd.online](mailto:32052@lapd.online)

**Crime Trends/Statistics**

As of October 19th, 2017, my area is currently up 8% in property crimes, 30.2% in Grand Theft Autos (stolen vehicles), and up 1.2% in Burglary from Motor Vehicles (cars being broken into). Violent crime has improved by dropping to 0.0%. These numbers are year-to-date compared to last year during the same period.

We continue to see an increase in thefts of bicycles in the Valley. It is very important that you take several precautions to help reduce this crime trend. First, make sure you're locking your bike up with a quality lock that can't be easily cut. Also, when storing your bike try to keep it inside your residence or in a closed storage area or garage out of sight. Many of the stolen bicycles are being taken from underground parking garages and storage areas. Lastly, please **make a note of the bicycles serial number**, usually located under the frame below the pedals. This is very important if the bicycle should be stolen so that the police can positively identify it as stolen property. Many of the stolen bicycles are quickly painted and made to look different, and without a serial number it can be very difficult for us to identify.

Build my Neighborhood Watch participation in Valley Glen to combat residential Burglaries is the goal for this year. I will be working with the Valley Glen Neighborhood Association to increase membership, participation, and education. Please contact me if you would like to become involved.

Safeguard your home by making sure your residential doors and windows are securely locked when you're not home. Use an alarm and video surveillance cameras. Also, place signs around your home warning of alarm system and cameras to deter would be thieves.

**Basic Car 9A41:**

Senior Lead Officer Tony Cabunoc

Cell Phone: 818-731-2560

Email Address: [25170@lapd.online](mailto:25170@lapd.online)

**Crime Trends/Statistics**

We are showing significant increase in crime numbers in Basic Car 41. Currently, we are up 21% in violent crimes and 6.9 % in property crimes. The breakdown is as follows: Robbery up year-to-date eight (8) more reported crimes than at this same time last year. Aggravated assaults, 21 more reported crimes this year. As for property crimes, commercial and residential burglaries reported plus 14 crimes, and burglary from vehicle were up 32 crimes compared to last year's numbers. What's going on? Are we becoming lazy about our crime prevention, allowing opportunities for crime? Let's get back to basics and start our Basic Car watches again. I will again be asking our area Police Community Representatives to meet with me to schedule area block meetings throughout the Basic Car area. I think we need to police ourselves and develop strong connections through face to face communication. Let's keep all items out of our vehicles. Commercial businesses should post that no money is kept on premises after hours, and neighbors need to know each other and communicate directly to better prevent daytime burglaries. Please contact me for a Neighborhood Watch meeting on your block.

**Basic Car 9A63:**

Senior Lead Officer Trent Berry

Cell Phone: 818-731-2563

Email Address: [27270@lapd.online](mailto:27270@lapd.online)

### **Crime Trends/Statistics**

Basic Car 9A63 covers the Northern Sherman Oaks community. Heading into the month of November, we are still experiencing a slight increase in property crimes with regards to Residential Burglary and Burglary Theft from Motor Vehicle. I'm currently up +5% as compared to this same time from last year. Most incidents involving residential burglaries are taking place during the daytime hours, while most homeowners are away at work. I'm currently experiencing a slight increase in vehicle break-ins, in and around the area of Riverside Drive and Hazeltine Avenue. Please be mindful of this and properly secure your homes and avoid leaving windows open. Remember, an open window is an open invitation to your home. With regards to thefts, please be mindful to track your packages when ordering on-line. If you cannot be home to receive it, consider a drop off location or ask a trusted neighbor to pick up your package for you. This should help to reduce your chances of being victimized. Please call to report suspicious activity in your neighborhood.

When visiting local retailers, please be mindful of your surroundings and avoid leaving property unattended.

Finally, please continue to be mindful of not leaving valuables inside your vehicles. This will help to reduce your chances of being victimized by the crime of Burglary Theft from Motor Vehicle. Remember to "Lock it, Hide it, Keep it."

### **Basic Car 9A89:**

Acting Senior Lead Officer Larry Schwartz

Cell Phone: 818-731-2565

Email Address: [36511@lapd.online](mailto:36511@lapd.online)

### **Crime Trends / Statistics**

Basic Car 9A89 covers the Southern Portion of Sherman Oaks and a small portion of Studio City. I show an increase in Total Property Crimes of 8.0% from last year to now. However, there is a decrease in Total Violent Crime by 15.6% from last year.

Van Nuys morning watch Officers made an outstanding arrest of a serial commercial burglary suspect on September 30, 2017.

After reviewing the BFMV/TFMV reports, numerous victims continue leaving their valuables in plain sight and not locking their vehicles. I will continue attending community/business meetings emphasizing "Lock It, Hide it, Keep it."

We are utilizing as many resources as possible to combat all these problems. However, please email any suspicious activity in the form of videos or photos. This can be our greatest source of information for developing leads on open cases. Please help us help you by being aware of what's going on in your neighborhood. Remember, the best way to avoid becoming a victim yourself is to remove **all** valuables from your vehicle every time you leave it. Do not leave anything that is not attached to your vehicle in plain sight. Make sure your cars and homes are locked and secured using as many crime prevention tools as possible.

Remember, Nextdoor.com, Twitter, and your SLO's City cell phone/email is not for reporting crimes or for generating radio calls. For non-emergencies call 1-877-ASK-LAPD (1-877-275-5273), and for emergencies dial 911. Please refrain from calling the front desk if you need officers to come out for a radio call. The front desk officers are there to take telephonic reports and answer any questions, not dispatch calls.

## *Crime Prevention Tips*

- ***LOCK YOUR WINDOWS AND DOORS*** when you leave the house. Close your blinds/drapes so no one can see into your house. Keep every part of your residence locked and secured, including your garage.
- ***DON'T LEAVE EXPENSIVE ITEMS OUT***. Put them in a drawer, safe, or somewhere else out of sight.
- ***TAKE YOUR ELECTRONIC ITEMS OUT OF YOUR CAR!*** Your cell phones, computer tablets, other portable electronics, and chargers.
- ***LOCK YOUR CAR AND PARK IT IN A GARAGE OR LIGHTED AREA***. Make it difficult to get into your car. If it is outside, make your car as visible as possible.
- ***IF YOU'RE HOME AND SOMEONE KNOCKS OR RINGS YOUR DOORBELL, DO NOT IGNORE IT***. Would be burglars like to knock to determine if someone is home before attempting to break in. So, please make sure you verbally acknowledge the person without opening the door. If you have not invited someone to your home, you should not open the door for them.
- Video cameras are becoming an affordable option to help reduce your chances of becoming a victim. Please consider this option to protect your home.
