

Captain's Message

I hope everyone had a nice summer! I would like to wish everyone a nice and safe Labor Day holiday. When traveling on the holiday weekend please remember to drive courteously, and do not drink and drive.

I would like to share our crime statistics with you. For 2016, the Van Nuys Area has set a goal of reducing Part I crimes by 1%. In the last four week period of July 24, 2016 to August 20, 2016 as compared to the previous four week period of June 26, 2016 to July 23, 2016, we have seen a decrease of -26.3% in Violent Crimes. We have an decrease of -5.6% in Property Crimes, and an decrease of -9.1% in Part I crimes. Burglary Theft from Motor Vehicles, Grand Theft Auto, and Robberies continue to be a challenge.

I would like to encourage all of you to participate or start a Neighborhood Watch program, and to think about joining our Community Police Advisory Board (C-PAB) or the Mid-Valley Community Police Council. These two groups are an integral part of Van Nuys Community Police Station's relationship and outreach with the community. The C-PAB Co-Chair is Cheryl Cashman. The President of our MVCPC Executive Board is Larry Hanna. If you would like information about the meetings for the C-PAB or MVCPC, please contact Sergeant II Tony Valadez, Community Relations Office at (818) 374-9409.

If you have not had an opportunity to logon to our websites, please do so. You can "LIKE" us on Facebook at facebook.com/LAPDVanNuysDivision, "FOLLOW" us on Twitter at twitter.com/lapdVanNuysDiv, and "FOLLOW" us on Nixle at local.nixle.com/lapd---van-nuys, "FOLLOW" us on Patch at shermanoaks.patch.com/listings/lapd-van-nuys-station, and "VISIT" us online at www.lapdvannuys.com/.

The upcoming fundraiser held by the Mid-Valley Community Police Council (MVCPC), namely the "Cops & Cowboys" 2016 event will take place on Saturday, September 10, 2016. There will be cocktails, a silent auction, BBQ, country music, line dancing and more. It will be held at the Leonis Adobe Museum in Calabasas. For further information, please contact Sergeant Tony Valadez (818) 374-9409, or go to www.midvalleypolicecouncil.org. This fundraiser is in support of the Van Nuys Community Police Station.

The "Cops & Cowboys" event this month will be a fun time for everyone. I look forward to seeing many of you there. Thank you for your continuing support of the Van Nuys Community Police Station!

LILLIAN L. CARRANZA, Captain
Commanding Officer
Van Nuys Area

Who to Contact?

Please report any suspicious activity or persons by calling the Los Angeles Police Department Non-Emergency phone number at: 877.ASK.LAPD. For crimes in progress dial: 911.

Keep our community clean! Call: 311 or visit <http://lacity.org/MyLA311/index.htm> to report graffiti, bulky items on the street or sidewalks, and shopping carts in the area. You can also download the MyLA311 Smartphone Mobile Application to submit your report. Keeping the streets clean shows the criminals that we have pride in our community and we will not tolerate their activities.

If you would like information on resources available to support or counsel victims of domestic violence, call the City of Los Angeles “211” support number (option 7) or www.211LA.org.

For more information about domestic violence see the LAPD webpage, where you will find online information and resources to go to:

Neighborhood Justice Program (NJP): The LA City Attorney has a program called “The Los Angeles City Attorney Neighborhood Justice Program.” The NJP is an opportunity for three community members to take an active role in how the community responds to the commission of minor crimes, such as vandalism and petty theft. People who commit certain misdemeanors appear before a panel of community members, instead of going to court and having a criminal record, to discuss the crime, the reasons for its commission, and the negative impacts it has caused. For more information contact: Peter Borenstein 213-978-8735 or peter.borenstein@lacity.org.

If you are interested in becoming a Block Captain and starting a Neighborhood Watch Program in your neighborhood, please call your Senior Lead Officer at their number below for further details.

The L.A.P.D. is continuing to bring community policing to the Internet. The E-Policing program enables Senior Lead Officers, Area Captains, and Detectives to e-mail Newsletters, crime trends, and other important information to you. It is easy, sign-up now. Get LAPD crime maps, join/start a Neighborhood Watch, and become part of our team of crime-fighters.

North Van Nuys Basic Car Area 9A5

Senior Lead Officer John Bailey

Email address: 33445@lapd.lacity.org

Crime Trends/Statistics

Basic Car 9A5's Area encompasses the North Van Nuys area of Raymer to the North and Sherman Way to the South, 405 Freeway to the West and Tujunga wash to the East. As of August 13, 2016, here are the year-to-date totals. There has been a decrease of the following: Burglary (Down 16.7%). In this area, there has been a decrease in Burglary Theft from Motor

Vehicle (-11.4%). Grand Theft Auto has seen an increase of 11.1% (70 year –to-date, up from 63 in 2015). Aggravated Assaults by 7.6% (71 year-to-date, up from 66 in 2015). There has been an increase of total Violent Crimes by 14.7% (up 117 compared to 102 incidents year-to-date).

There has been a recent string of Thefts and Burglaries involving open garage doors and side gates to the back yard. Please, close and lock you garage door if left unattended for long periods of time. In addition, use a lock or latch mechanism to secure side gate to back yard. This will help reduce the incidence of crime in our area.

If you go on a trip for an extended period of time, the more cars in the driveway the better. In addition, put some interior lights on a timer, which can be purchased at many hardware stores. If possible at night time, leave some lights on or install motion sensor lighting around the house. This usually indicates people are home and helps deter residential burglary activity.

Take some time to make sure you are doing everything you can to reduce your chances of becoming a victim. There are many things that can be done to help reduce those chances. Please review our crime prevention section at (http://www.lapdonline.org/crime_prevention) to see what you can do to make your home and neighborhood safe.

If you SEE something SAY something (trademark). Help to prevent acts of Terrorism (www.IWATCHLA.org) or phone 1-877-A-THREAT (1-877-284-7328).

For new community members or those that have been here for generations, if you have an issue or problem, please feel free to contact me.

Another excellent resource for keeping your neighborhood safe is to get involved with Nextdoor.com to further enhance our ability to work hand and hand with your neighbor. Nextdoor.com is an internet site that you can only join as a verified resident in your neighborhood. It is a great way to keep up with what is going on with your neighbors, and stay aware of what is happening in your specific area.

Crime Prevention Tips

You can download the MY LA 311 to your mobile device/smart phone. Simply take a photo, geo match your location, and send the graffiti removal request. You will then receive a confirmation the request was received, and e-mail once the graffiti was removed. You can also utilize this application for other things like, TV's, couches and other bulky items. 311 is also an excellent resource for street services.

Remember, “Lock it, Hide it, Keep it” when it comes to your vehicles. Please remove, or at the very least hide, all items from your vehicle when parking it. This is YOUR responsibility. If you leave things visible in your vehicle, they will be stolen. Don't be a victim.

East-Central Van Nuys Basic Car Area 9A19

Senior Lead Officer Katy Paschal

Cellular Phone: 818-731-2566

E-Mail address: 36128@lapd.lacity.org

Crime Trends/Statistics

Although Basic Car A19 had an increase of (6.4 % week ending 08-13-16), A19 saw a slight increase in violent crimes (+10.5% week ending 08-13-16), and a slight increase in property crimes (4.6% week ending 08-13-16).

Our biggest challenge right now is still Burglaries from Motor Vehicles and stolen vehicles. A lot of these crimes are happening along the major streets and within a block or two of those streets. Please remember to remove all items from inside your vehicle and take them with you. If you must leave items behind, try to place them in the trunk or conceal them inside.

Remember, Nextdoor.com is NOT for reporting crimes. For non-emergencies call 1-877-ASK-LAPD (1-877-275-5273), and for emergencies dial 911. Please refrain from calling the front desk if you need officers to come out for a radio call. The front desk officers are there to take telephonic reports and answer any questions, no dispatch calls.

Crime Prevention Tips

I get a lot of phone calls and emails from people notifying me of suspicious activity in their neighborhoods. As I look into it further, I find out that the police are not being called to investigate. While I encourage you to call me so that I am aware of things, if I am on a day off, there is not much I can do. Remember, if you see something that is out of the ordinary and you feel it is suspicious, please call 1-877-ASK-LAPD (1-877-275-5873). As we like to say, "SEE SOMETHING, SAY SOMETHING!"

This year, National Night Out is scheduled for Tuesday, August 2, 2016. Please contact your Senior Lead Officer to see if you have an event in your area. If you would like to host an event, let us know as well!

REMEMBER...if you want to have Neighborhood Watch Meetings to please contact your block captain and set something up.

I get a lot of questions from people asking how they can report violations to Building and Safety. You may do this online at www.ladbs.org, or by downloading their new free phone application "LADBS Go." By utilizing either of these options, you may report building code violations, request for inspections, or check the status of pending or prior permits.

Have you downloaded the MyLA311 application on your smartphone? This is a great tool to report issues to several different City agencies. I personally use it while on patrol to request graffiti removal, bulky item pick-up, illegal dumping, and other non-criminal service requests. As soon as you send in your request you will get a confirmation email that it was received, as well as an email once your request has been handled. The application was recently upgraded and I find it more user friendly...give it a try!

Central Van Nuys Basic Car Area 9A23

Senior Lead Officer Erika Kirk

Cellular Phone: 818-731-2557

Email Address: 37525@lapd.lacity.org

Crime Trends /Statistics

Basic Car A23 is currently down 3.6% total Part I crime. Property crimes have decreased 3.0%, on violent crimes we are down 5.3% (week ending 08-13-16).

Personal thefts and Burglaries from Motor Vehicles continue to be the biggest issue in the area. Please remember to remove all items from inside your vehicle and take them with you. If you must leave items behind, try to place them in the trunk or conceal them inside. Be mindful of where you are placing your items (wallets etc.) when you are shopping. Try not to place them on counters where you might forget them. Take the money/credit cards out when you need them, and place your wallet right back into your pocket/purse.

Crime Prevention Tips

Please look into a surveillance system for your residence. Time and time again, I have seen homes with a surveillance system is “passed up” due to the visible cameras and well lit area. There are several very affordable systems that can be easily installed, and may keep from you from becoming a victim.

The new and improved 311 mobile app is up and running. It is very user friendly and easy to navigate. You can download the MY LA 311 mobile app to your smart phone. Simply take a photo, geo match your location, and send the request. You will then receive a confirmation the request was received, and e-mail once the request was handled. You can utilize this app for things like bulky item pick up, graffiti removal, as well as street services.

The non-emergency number (**1-877-ASK-LAPD**) is ideal and the most common number used but if it is an emergency, like one of the instances mentioned above, please call **911**. Don't forget to reach out to one another and stay in touch via Nextdoor.Com.

Valley Glen Basic Car Area 9A37

Senior Lead Officer Justin Bergmann

Cellular Phone: 818-731-2562

Email Address: 32052@lapd.lacity.org

Crime Trends/Statistics

Basic Car 9A37 continues to lead our division in crime reduction. As of August 13th, 2016, we are down in overall crime by -7.9%. We are, however, seeing an increase in stolen bicycles in the area. It is very important that you take several precautions in order to help reduce this crime trend. First, make sure you are locking your bike up with a quality lock that cannot be easily cut. Also, when storing your bike try to keep it inside your residence, or in a closed storage area or garage out of sight. Many of the stolen bicycles are being taken from underground parking garages and storage areas. Lastly, please make a note of the bicycles serial number, usually located under the frame below the pedals. This is very important if the bicycle should be stolen, so that the police can positively identify it as stolen property. Many of the stolen bicycles are quickly painted and made to look different, and without a serial number it can be very difficult for us to identify.

This year, I will be focusing on increasing Neighborhood Watch participation in Valley Glen to combat residential Burglaries. I will be working with the Valley Glen Neighborhood Association to increase membership, participation, and education. Please contact me if you would like to become involved.

Safeguard your home by making sure your residential doors and windows are securely locked when you are not home. Use an alarm and video surveillance cameras. Also, place signs around your home warning of alarm system and cameras to deter would be thieves.

Crime Prevention Tips

If you are home and someone knocks or rings your doorbell, do NOT ignore it. “Would be” burglars like to knock to determine if someone is home before attempting to break in. So, please make sure you verbally acknowledge the person WITHOUT opening the door. If you have not invited someone to your home, you should not open the door for them.

PLEASE don't leave valuables inside your vehicle. This is an invitation to a criminal to gather your items for you (and not return them). Car alarms are a good deterrent. Anything that can bring sound or lighting to your property is a plus. Please remember this easy slogan, “Lock it, Hide it, Keep it.”

Thefts can be prevented by keeping strong hold on your wallet and purse. When at the local stores, make a habit of placing your wallet / purse directly in front of you. Never place it down or leave it to your side. The more the items are out of your direct view, the more likely a theft can occur.

Always look around and be aware of your surroundings. Criminals are looking for people that look like a victim and don't usually want to be seen, so look up and take notice of your surroundings.

Use the “myla311” smart phone application to report graffiti removal, fallen tree branches, bulky items that need to be picked up, not only at your home but report it in your surrounding neighborhood.

Don't put up with suspicious characters on your street. Don't wait for your neighbors to tell you that they were broken into when you saw that strange looking person the night before near their car. Please, use the 1-877-ASK-LAPD (Non – emergency line) to report any suspicious activity.

Central Van Nuys Basic Car Area 9A41

Senior Lead Officer Anthony Cabunoc

Cellular Phone: 818-731-2560

Email Address: 25170@lapd.lacity.org

Crime Trends /Statistics

Targeting property crimes is our focus and that of the officers assigned to Basic Car A41. Officers have been directed and given the mission to target reporting districts 41 and 52 due to the up-swing in reported burglary and theft of motor vehicle. Victims have reported that unseen suspects have gained entry by either smashing out the window or entering an unlocked door.

Reporting officers are finding that victims have again failed to remove all items from their vehicles often allowing the window shoppers to see all. Officers are also reporting that victims are not really sure if they had locked their vehicles prior to turning in for the night. Let's repeat our message and clear our vehicles of any and all property. As you know our homeless population is ever growing and our investigations have shown that many are drug users. Let's not support and enable them by leaving our vehicles with our belongings.

Bike thefts are also on the rise and in spite of a well locked and secured bike, suspects are using means to cut cable locks and take these bikes. Often the suspect takes the cable as well, as not to leave any evidence of the method used. I suggest a U-Lock type of bicycle lock. I also suggest that all bike owners photo and note the make and model of their bike. Also note for safe keeping the bicycle serial number that can be found by flipping your bike over and locating it at the bottom bracket where the two peddles meet. The serial number is stamped into the metal. Suspects know this as well but often do not tamper or scratch the serial number since this is a crime in itself. Suspects have come to realize that bike owners don't know the serial number, and therefore there is no threat that the bike will return as stolen via police database. The bikes are quickly stripped, painted, and reassembled. Stickers or fancy rims and tires are merely removed and /or replaced so that you, the victim, won't even recognize your bike. Our homeless are also getting into the act often doing all the above described on our City streets. The serial number is key to an arrest and solid prosecution or for catching them in the act. All too often, mere possession of a stolen bike becomes difficult to prove. Please note the serial number, make and model, photo the bike and serial number, maybe even a selfie with the bike, and file it away.

Crime Prevention Tips

Harden the target! Make it difficult for suspects to approach your home. Install a perimeter motion detector that will alert you via your smart phone. Should someone enter this zone or approach your door you will be alerted. Burglars often knock before making entry. They too wish to be alerted first. An early warning system via a smart phone along with two way communication allows you to tell that visitor that you are home and unable come to the door. Early alerts and video playback allows you to provide a complete description to police.

Crime Trends / Statistics

As we head into the month of September, I'm currently up in property crime about +2% as compared to this same time period from 2015. The two areas that are affecting this are vehicle break-ins and Petty/Grand thefts. Please continue to do your part and secure your belongings and talk with your neighbors about this. I look forward to our continued partnership with the Neighborhood Watch program to reduce crime in the Sherman Oaks community. My efforts are still focused on the reduction of property crimes. With that being said, I encourage everyone to participate in a Neighborhood Watch program. Get to know your neighbors and interact with your local police department, it works! Please continue to take extra precautions in securing

your vehicles and not leaving property behind, this will help reduce the incidents of Theft from Motor Vehicle. My Neighborhood Watch groups have been asked to forward the word and to put crime prevention measures into practice. I cannot stress enough the importance of removing valuables from inside your vehicles. This simple step will help to maintain our reductions in property crime.

Crime Prevention Tips

Let's watch out for one another as a community and be the "eyes and ears" for your Police Department. Please report all suspicious activity in your neighborhood. To combat auto theft, try to utilize a theft deterrent device such as steering wheel locks, alarms, etc. Be mindful of keeping doors and windows locked when leaving your residence. Often these points of entry are forgotten and left unsecured.

South Sherman Oaks Basic Car 9A89

Senior Lead Officer Jose Saldana

Cellular Phone: 818-731-2565

Email Address: 30853@lapd.lacity.org

Crime Trends / Statistics

There is a decrease in property crimes of 6.0%, and an increase of violent crime 80%. The Department continues to push its slogan in the battle against vehicle break-ins. "Lock it, Hide it, Keep it." Please remember this when locking and securing your vehicles. Even for a short period, nothing should be left in your vehicles. Too many people continue to make themselves an easy target for Burglary from Motor Vehicles by leaving items in plain sight inside their vehicles. Please remember, what may not be valuable to you, may be extremely valuable to someone else. Things such as change, CDs, clothing, cell phones, laptop computers, GPS units and purses are just some of the targeted items. You must keep your vehicle free of any visible items to reduce your chances of becoming a victim. **REMEMBER, "LOCK IT, HIDE IT, KEEP IT."**

As for the Residential Burglaries, the majority of these happen during the day. The best defense against this is a strong Neighborhood Watch program. If you do not have one in your area, please contact me to learn how to get started.

Please join us at the Sherman Oaks Street Fair on October 16, 2016, from 10:00 a.m. to 6:00 p.m., for a great family event.

Crime Prevention Tips

We are utilizing as many resources as possible to combat all these problems. As you know, we cannot catch everyone on our own. Please help us help you by being aware of what is going on in your neighborhood and reporting any suspicious activity. Remember the best way to avoid becoming a victim yourself is to remove all valuables from your vehicle every time you leave it. Do not leave anything that is not attached to the vehicle in plain sight. Make sure your cars and homes are locked and secured using as many crime prevention tools as possible.

To see additional crime prevention information, go to the “crime prevention” section on the left side of the screen on our Department website, www.lapdonline.org.

If you are interested in starting a Neighborhood Watch group or becoming a Block Captain for your area, or you were a Block Captain previously, please call me so that we can discuss your area. I can be reached during my workdays on my City cell phone (818) 731-2565. If I am not working or unavailable to answer your call, leave a message and I will get back to you. The non-emergency number (**1-877-ASK-LAPD**) is ideal and the most common number used, but if it's an emergency, please call **911**.
