Crime Update

Basic Car 9A5:

Senior Lead Officer Katy Paschal

Cell Phone: 818-731-2556

Email address: 36128@lapd.online

Crime Trends/Statistics

Basic Car 5 is down (-14.05%) in Violent Crimes and up (+4%) in Property Crimes, bringing our year-to-date crime reduction to -7.18% in comparison to this time last year. Robberies are down (-27.66). Aggravated Assaults are up (+6.67%), however, most of the assaults involve some sort of relationship between the suspect and victim and are not random attacks, mostly Domestic Incidents.

Burglary/Theft from Motor Vehicles (BTFV) has historically been the Basic Car’s Achille’s heel. I am happy to report that BTFVs are down (-15.48%)! Continue the good work of not leaving items in your vehicles to prevent the temptations of theft. Pick a time at the end of your day and incorporate cleaning out your car. It will eventually become a habit and will occur automatically.

If you have a camera system in place at your residence or business, please try to have everyone skilled in retrieving or reviewing the video. Often, officers respond to calls and need to review video but no one at the location knows how to view it. This can sometimes cause delays in investigations or suspect identification.

Please inform me (or your respective Senior Lead Officer) of any issues you are having with encampments. The faster we become aware of it, hopefully, the quicker we can address it. If you need to report an encampment, please be sure to call 311 or use the FREE mobile app (MyLA311) to request the Department of Sanitation to respond. The MyLA311 phone app can also be used to report a variety of other problems/issues in your neighborhood that other entities investigate (Building and Safety, graffiti removal, Department of Transportation, etc.).

As we enter the holiday season, please be more cognizant of any deliveries you may have at your residences. Package thefts continue to rise every year. If the item is delivered by the United States Postal Service (USPS), the crime report is to be taken by the Postal Inspector by going to www.usps.com. If the item was delivered by a third-party vendor (UPS, FedEx etc.), the LAPD can take the report.

Remember, Nextdoor.com, Twitter, and your SLO's City cell phone/email is not for reporting crimes or for generating radio calls. For non-emergencies call 1-877-ASK-LAPD (1-877-275-5273), and for emergencies dial 911. Please refrain from calling the front desk if you need officers to come out on a radio call. The front desk officers are here to take telephonic reports and answer questions, not to dispatch calls.

Basic Car 9A19:

Senior Lead Officer Mike Perez

Cell Phone: 818-731-2566

Email Address: 35569@lapd.online

Crime Trends/Statistics

Basic Car 9A19 encompasses the area of Sherman Way to the north, Victory Boulevard to the south, Van Nuys Boulevard to the west, and the Tujunga Wash to the east. Basic Car 9A19 has a decrease by -4.61% in overall Part 1 crimes year-to-date, and Property Crime has a decreased by -6.50%. Violent crime is up slightly, however, at +1.85%.

The area is still receiving complaints regarding large recreational vehicles (RVs) parked in residential neighborhoods. The Vehicle Dwelling (LAMC 85.02) code map outlines the restrictions and allowances of vehicle dwelling in the Van Nuys Area. A copy of map is available on the City of Los Angeles 311 mobile application. Although there are exceptions for vehicle dwelling on certain streets, all vehicles must comply with posted parking restrictions. To report vehicles parked on streets longer than 72 hours, call the Department of Transportation (DOT) dispatch at (818) 374-4823, or your Senior Lead Officer.

Although Property Crime has decreased by year-to-date from last year, Basic Car 9A19 averages approximately twenty (20) property crime reports per month. Most of these crimes include burglary and thefts from vehicles which can be avoided by merely locking and securing your home and vehicle. Thieves and burglars are opportunists. An unlocked residence or an unlocked vehicle is an opportunity for thieves to take your belongings. Please remember do not leave items of value in your vehicle and to "Lock it, Hide It, Keep It."

Please do not leave children or animals unattended in vehicles. Studies show that the temperature inside a closed/locked car can rise substantially above the outside temperature. High heat can cause severe injuries or even death.

Basic Car 9A23:

Senior Lead Officer Erika Kirk

Cell Phone: 818-731-2557

Email Address: 37525@lapd.online

Crime Trends/Statistics

Basic Car 23 has an increase of 1.29% in overall Part 1 Crime along with a decrease of -1.81% in overall Property Crimes. Violent Crimes are up 17.07% Year-to-Date due to an increase of Aggravated Assaults related to Domestic Violence incidents.

Most the Part 1 crimes occur along the major Corridors like Van Nuys Boulevard and Sepulveda Boulevard. If you are out and about, please be vigilant of your surroundings. Don't bury your head in your cell phone, and be cognizant of who and what is around you.

As we continue to navigate through the year, please don't become complacent by leaving valuables in your vehicle or the doors unlocked. I have been tracking the Burglary Theft from Motor Vehicles at the LA Fitness parking lot at 6161 Sepulveda Boulevard. I am working closely with the security officers and the management team to deter the auto-related crimes occurring in their parking lot. Be aware of the potential risks even if you lock items in your trunk. Try to park in a well-lit area and pay attention to who is watching you and remember, "Lock It, Hide It, Keep It!"

I have been working with our Homeless Outreach Unit, Department of Sanitation, and Cal Trans to assist with the encampments in and around Basic Car 23. Council District 6 and their Strike Team have been a great help in picking up bulky and abandoned items.

The My LA 311 app can be downloaded to your mobile device and used to report bulky items, graffiti, and broken streetlights. Help be part of the solution by using the app to clean the community we share.

Basic Car 9A37:

Senior Lead Officer Justin Bergmann

Cell Phone: 818-731-2562

Email Address: 32052@lapd.online

Crime Trends/Statistics

As of October 13, 2018, 9A37's overall crime stats are down – 4.61% in total part one crimes compared to last year. The area is, however, slightly up in violent crime by 1.85%. That increase can be mostly attributed to an increase in domestic related incidents. Property crime has come down to -6.50% which is an improvement from last several months. Please be vigilant about not leaving items in your vehicle so that we can try to keep the property crime numbers down. Remember, "Lock it, hide it, Keep it".

Both residential and commercial burglaries continue to be a concern so please review our Burglary crime prevention section to reduce your chances of becoming a victim.

We continue to see bicycle thefts in the area. If you own a bicycle, please make sure you secure it with a quality lock that cannot be easily cut. Also, when storing your bike, try to keep it in your residence or a closed, locked storage area or garage. Most bicycles are stolen from underground parking garages and storage areas. Lastly, please make a note of your bicycle serial number, usually located under the frame below the pedals. The serial number is essential if the bicycle is stolen, so police can positively identify it as stolen property. Many stolen bikes are quickly painted and made to look different, and without a serial number it can be difficult for us to identify.

Continue to build Neighborhood Watch participation in Valley Glen to combat residential Burglaries is the goal for this year. I will be working with the Valley Glen Neighborhood Association to increase membership, participation, and education. Please contact me if you would like to become involved.

Safeguard your home by making sure your residential doors and windows are securely locked when you're not home. Use an alarm and video surveillance cameras. Also, place signs around your home warning of an alarm system and cameras to deter would-be thieves.

The My LA 311 app can be downloaded to your mobile device and used to report bulky items, graffiti, and broken streetlights. Help be part of the solution by using the app to clean the community we share.

Basic Car 9A41:

Senior Lead Officer Tony Cabunoc

Cell Phone: 818-731-2560

Email Address: 25170@lapd.online

Crime Trends/Statistics

As you may already know Basic Car 41 has many homeless persons who either reside on the sidewalks or in recreational vehicles. Our Homeless Outreach Proactive Engagement Unit (HOPE) has been very busy with outreach, providing information, and conducting clean-ups of those encampments that have grown out of control with discarded trash. Unfortunately, there are those homeless persons who have become a police problem and have engaged in the use and sell of narcotics. Recently, narcotic investigators received such a tip of a recreational vehicles (RV) doing just that. Investigators watched, gathered information, and witnessed activities of drug sells. After the arrest of a buyer, investigators took down the occupants of the RV and recovered additional evidence leading to the arrests of two individuals. This is not the norm of all RV's out there, but just as people will sell from cars and homes using an RV is no exception. The RV was impounded along with a second vehicle. Investigators also recovered a stolen bicycle valued at over a thousand dollars.

Remember to remove property and lock your vehicle. Secure property in the trunk if that is an option. Thieves are looking for opportunity and if presented will take it.

Burglary from Motor Vehicle is also on the rise. Keep all property out of your vehicle and practice "Lock It, Hide It, Keep It."

Wishing you and your family a Happy Thanksgiving and thank you for your support.

Basic Car 9A63:

Senior Lead Officer Trent Berry

Cell Phone: 818-731-2563

Email Address: 27270@lapd.online

Crime Trends/Statistics

Basic Car 9A63 covers the northern portion of Sherman Oaks. As we head into the month of November, I am pleased to report that we are down in crime. As compared to this same time from last year, I show a decrease of- 7.0% in Property Crime and a decrease of- 10.0% on Violent Crimes. My two areas of concern are vehicle break-ins and Grand Theft Auto (GTA). Most incidents involving vehicle break-ins are taking place during the midnight hours, while most of us are asleep. Please be mindful of this and properly secure your vehicles and avoid leaving property inside. With regards to GTA, try to avoid parking in isolated spots and utilize a driveway versus the street whenever possible. Please be mindful of tracking your packages when ordering online. If you cannot be home to receive it, consider a drop off location or ask a trusted neighbor to pick-up your package. This should help to reduce your chances of being victimized. Please call to report suspicious activity in your neighborhood.

Finally, please continue to be mindful of not leaving valuables inside your vehicles. This will help to reduce your chances of being victimized by the crime of Burglary Theft from Motor Vehicle. Remember to "Lock It, Hide It, Keep It."

Basic Car 9A89:

Senior Lead Officer Jose Saldana

Cell Phone: 818-731-2565

Email Address: 30853@lapd.online

Crime Trends / Statistics

Basic Car 9A89 covers the southern portion of Sherman Oaks and a small portion of Studio City. I show a decrease in total Property Crimes of -7.26% from last year, and a slight increase in violent crime of 4.6% from last year.

After reviewing the Burglary/Theft from Motor Vehicles (BFMV/TFMV) reports, numerous victims continue leaving their valuables in plain sight and not locking their vehicles. I will continue to attend community/business meetings emphasizing "Lock It, Hide It, Keep It."

Please e-mail me any suspicious activity in the form of videos or photos. This can be our most significant source of information for developing leads on open cases. Please help us help you by being aware of what is going on in your neighborhood. Remember, the best way to avoid becoming a victim yourself is to remove all valuables from your vehicle every time you leave it. Do not leave anything that is not attached to your vehicle in plain sight. Make sure your cars and homes are locked and secured using as many crime prevention tools as possible.

Remember, Nextdoor.com, Twitter, and your SLO's City cell phone/email is not for reporting crimes or for generating radio calls. For non-emergencies call 1-877-ASK-LAPD (1-877-275-5273), and for emergencies dial 911. Please refrain from calling the front desk if you need officers to come out on a radio call. The front desk officers are here to take telephonic reports and answer questions, not dispatch calls.

Crime Prevention Tips

- ***LOCK YOUR WINDOWS AND DOORS*** when you leave the house. Close your blinds/drapes so no one can see into your house. Keep every part of your residence locked and secured, including your garage.
- ***DON'T LEAVE EXPENSIVE ITEMS OUT.*** Place them in a drawer, safe, or somewhere else out of sight.
- ***TAKE YOUR ELECTRONIC ITEMS OUT OF YOUR CAR,*** this includes your cell phones, computer tablets, other portable electronics, and chargers.
- ***LOCK YOUR CAR AND PARK IT IN A GARAGE OR LIGHTED AREA.*** Make it difficult to get into your car. If it is outside, make your car as visible as possible.
- ***IF YOU'RE HOME AND SOMEONE KNOCKS OR RINGS YOUR DOORBELL, DO NOT IGNORE IT.*** Would be burglars like to knock to determine if someone is home before attempting to break in. So, please make sure you verbally acknowledge the person without opening the door. If you have not invited someone to your home, you should not open the door for them.
- Video cameras are becoming an affordable option to help reduce your chances of becoming a victim. Please consider this option to protect your home.
