

**Captain's Message**

I hope everyone is doing well and enjoying the Spring weather! This month we have the Memorial Day Holiday. If you travel over the long weekend, please remember to be a courteous driver and please do not drink and drive.

I would like to share our crime statistics with you. For 2016, the Van Nuys Area has set a goal of reducing Part I crimes by 1%. In the last four week period of March 27, 2016 to April 23, 2016 as compared to the previous four week period of February 28, 2016 to March 26, 2016, we have seen a decrease of -10.1% in Violent Crimes. We have an increase of 10.6% in Property Crimes, and an increase of 6.4% in Part I crimes. Burglary Theft from Motor Vehicles, Grand Theft Auto, and Robberies continue to be a challenge.

I would like to encourage all of you to participate or start a Neighborhood Watch program, and to think about joining our Community Police Advisory Board (C-PAB) or the Mid-Valley Community Police Council. These two groups are an integral part of Van Nuys Community Police Station's relationship and outreach with the community. The C-PAB Co-Chair is Cheryl Cashman. The President of our MVCPC Executive Board is Larry Hanna. If you would like information about the meetings for the C-PAB or MVCPC, please contact Sergeant II Rudolph Valadez, Community Relations Office at (818) 374-9409, or Sergeant I Maria Pedroza, Senior Lead Office, at (818) 374-5401.

### **Crime Trends/Statistics**

Basic Car 9A5's Area encompasses the North Van Nuys area of Raymer to the North and Sherman Way to the South, 405 Freeway to the West and Tujunga wash to the East. As of April 9, 2016, here are the year-to-date totals. There has been a decrease of the following: Burglary down 52.6%, Burglary Theft from Motor Vehicle down 21.2 %. In this area, there has been an

increase in Aggravated Assaults by 26.6% (37 year-to-date, up from 29 in 2015). There has been an increase of total Violent Crimes by 29.5% (up 57 compared to 44 incidents year-to-date).

Of the year-to-date increases, Grand Theft Auto has seen an increase of 6.7%. If you SEE something SAY something (trademark). Help to prevent acts of Terrorism ([www.IWATCHLA.org](http://www.IWATCHLA.org)) or phone 1-877-A-THREAT (1-877-284-7328). Whether it is your home or apartment, always remember to lock and secure doors when you leave the house. If you go on a trip for an extended period of time, the more cars in the driveway the better. In addition, put some interior lights on a timer, which can be purchased at many hardware stores. If possible at night time, leave some lights on or install motion sensor lighting around the house. This usually indicates people are home and helps deter residential burglary activity.

For new community members or those that have been here for generations, if you have an issue or problem, please feel free to contact me.

Take some time to make sure you are doing everything you can to reduce your chances of becoming a victim. There are many things that can be done to help reduce those chances. Please review our crime prevention section at ([http://www.lapdonline.org/crime\\_prevention](http://www.lapdonline.org/crime_prevention)) to see what you can do to make your home and neighborhood safe.

Another excellent resource for keeping your neighborhood safe is to get involved with [Nextdoor.com](http://Nextdoor.com) to further enhance our ability to work hand and hand with your neighbor. Nextdoor.com is an internet site that you can only join as a verified resident in your neighborhood. It is a great way to keep up with what is going on with your neighbors, and stay aware of what is happening in your specific area.

### **Crime Prevention Tips**

You can download the MY LA 311 to your mobile device/smart phone. Simply take a photo, geo match your location, and send the graffiti removal request. You will then receive a confirmation the request was received, and an e-mail once the graffiti was removed. You can also utilize this application for other things like, TV's, couches, and other bulky items. 311 is also an excellent resource for street services.

Remember, "Lock it, Hide it, Keep it" when it comes to your vehicles. Please remove, or at the very least hide, all items from your vehicle when parking it. This is YOUR responsibility. If you leave things visible in your vehicle, they will be stolen. Don't be a victim.

### **Crime Trends/Statistics**

Grand Theft Autos are continuing to rise within the basic car along with Burglary Theft From Motor Vehicles.

Robberies are also on the rise (up 128.6 %, 16 YTD vs. 7 last year). A majority of these robberies are what we call “Estes Robberies” (more commonly known as “beer runs”) from businesses. In short, this means that suspects are stealing items, and then when confronted by loss prevention, security, or store personnel they are “putting up a fight” thus turning it into a robbery.

### **Crime Prevention Tips**

I get a lot of phone calls and emails from people notifying me of suspicious activity in their neighborhoods. As I look into it further, I find out that the police are not being called to investigate. While I encourage you to call me so that I am aware of things, if I am on a day off, there is not much I can do. Remember, if you see something that is out of the ordinary and you feel it is suspicious, PLEASE call 1-877-ASK-LAPD (1-877-275-5873). As we like to say, “SEE SOMETHING, SAY SOMETHING!”

REMEMBER...if you want to have Neighborhood Watch Meetings to please contact your Block Captain and set something up.

I get a lot of questions from people asking how they can report violations to Building and Safety. You may do this online at [www.ladbs.org](http://www.ladbs.org) or by downloading their new free phone application “LADBS Go.” By utilizing either of these options, you may report building code violations, request for inspections, or check the status of pending or prior permits.

Have you downloaded the MyLA311 application on your smartphone? This is great tool to report issues to several different City agencies. I personally use it while on patrol to request graffiti removal, bulky item pick-up, illegal dumping, and other non-criminal service requests. As soon as you send in your request you will get a confirmation email that it was received, as well as an email once your request has been handled. The application was recently upgraded and I find it more user friendly...give it a try!

Senior Lead Officer Erika Kirk

Cellular Phone: 818-731-2557

Email Address: [37525@lapd.lacity.org](mailto:37525@lapd.lacity.org)

### **Crime Trends /Statistics**

Basic Car 23 is up by 0.4% in overall crime. This is mainly due to the aggravated assaults that are occurring in the area. Most of these assaults are domestic related where the suspect and the victim are involved in either a married or dating relationship. Thanks to the hard work of Van Nuys Detectives a significant arrest was made of an aggravated assault suspect where an attempt rape occurred along the 14500 block of Vanowen Street.

Our burglary from motor vehicles has also increased by 19.1% and is mainly affecting vehicles parked along major corridors or thoroughfares especially in front of apartment complexes.

Our burglaries have remained the same year-to-date. Although there were two that affected RD 914 within a four week period, it is safe to say the rest of Basic Car 23 has not increased in these particular crimes.

### **Crime Prevention Tips**

Please look into a surveillance system for your residence. Time and time again I've seen homes with a surveillance system be "passed up" due to the visible cameras and well lit area. There are several very affordable systems that can be easily installed and may keep from you from becoming a victim.

The new and improved 311 application is up and running. It is very user friendly and easy to navigate. You can download the MY LA 311 mobile application to your smart phone. Simply take a photo, geo match your location and send the request. You will then receive a confirmation the request was received, and an e-mail once the request was handled. You can utilize this application for things like bulky item pick up, graffiti removal, as well as street services.

The non-emergency number (**1-877-ASK-LAPD**) is ideal and the most common number used, but if it is an emergency, like one of the instances mentioned above, please call **911**. Don't forget to reach out to one another and stay in touch via [Nextdoor.Com](http://Nextdoor.Com).

### **Valley Glen Basic Car Area 9A37**

Senior Lead Officer Justin Bergmann

Cellular Phone: 818-731-2562

Email Address: [32052@lapd.lacity.org](mailto:32052@lapd.lacity.org)

### **Crime Trends/Statistics**

As of April 9, 2016, we are down in overall Part 1 crime by 13.6% and have the lowest overall crime numbers in Van Nuys Area.

The most prevalent crime in Valley Glen has shifted from vehicle related crimes to Commercial (business) Burglaries. In the last week, three local businesses were broken into by cutting locks on the rear doors during the night. It appears all three incidents may be the same suspects. Please ensure your businesses are securely locked, and consider how and where you store valuables to further reduce the chance of becoming a victim.

This year, I will be focusing on increasing Neighborhood Watch participation in Valley Glen to combat residential Burglaries. I will be working with the Valley Glen Neighborhood Association to increase membership, participation, and education. Please contact me if you would like to become involved.

Safeguard your home by making sure your residential doors and windows are securely locked when you are not home. Use an alarm and video surveillance cameras. Also, place signs around your home warning of alarm system and cameras to deter would be thieves.

### **Crime Prevention Tips**

If you are home and someone knocks or rings your doorbell, do NOT ignore it. Would be burglars like to knock to determine if someone is home before attempting to break in. So, please make sure you verbally acknowledge the person WITHOUT opening the door. If you have not invited someone to your home, you should not open the door for them.

PLEASE don't leave valuables inside your vehicle. This is an invitation to a criminal to gather your items for you (and not return them). Car alarms are a good deterrent. Anything that can bring sound or lighting to your property is a plus. Please remember this easy slogan, "Lock it, Hide it, Keep it."

Thefts can be prevented by keeping strong hold on your wallet and purse. When at the local stores, make a habit of placing your wallet/purse directly in front of you. Never place it down or leave it to your side. The more the items are out of your direct view, the more likely a theft can occur.

Always look around and be aware of your surroundings. Criminals are looking for people that look like a victim and don't usually want to be seen, so look up and take notice of your surroundings.

Use the "myla311" smart phone application to report graffiti removal, fallen tree branches, bulky items that need to be picked up not only at your home, but report it in your surrounding neighborhood.

Don't put up with suspicious characters on your street. Don't wait for your neighbors to tell you that they were broken into when you saw that strange looking person the night before near their car. Please, use the 1-877-ASK-LAPD (Non - emergency line) to report any suspicious activity.

### **Central Van Nuys Basic Car Area 9A41**

Senior Lead Officer Anthony Cabunoc

Cellular Phone: 818-731-2560

Email Address: [25170@lapd.lacity.org](mailto:25170@lapd.lacity.org)

### **Crime Trends /Statistics**

Returning from my vacation I hoped for a crime reduction, but no such luck. The month's crime rate is plus 9% compared to last year at this time. Both violent crime and property crime are up in Basic Car 41. Burglary from motor vehicle leads the way at plus 39% while aggravated assaults are at plus 38%. Many if not all reported assaults involve persons who are often related or are acquaintances. Our homeless population are often the parties involved in the incidents of assaults against each other. Again, I will repeat to please empty your vehicle of all temptations. Place items in the trunks prior to arriving at your destination or remove them entirely. Better to be safe than sorry!

### **Crime Prevention Tips**

Harden the target! Make it difficult for suspects to approach your home without being detected. An early warning system via a smart phone along with exterior cameras allows you to alert police and neighbors to someone trespassing on your property. Once they are inside it's too late. Help your community guard against such crimes. Report suspicious activity and remind neighbors of the importance of not leaving valuables inside vehicles. "Lock It, Hide it, Keep it."

Email address: [27270@lapd.lacity.org](mailto:27270@lapd.lacity.org)

### **Crime Trends / Statistics**

As we head into the month of May, I am currently up in property crime about +3% as compared to this same time period from 2015. The two areas that are affecting this are vehicle break-ins and petty thefts. Please continue do your part and secure your belongings, and talk with your neighbors about this. I look forward to our continued partnership with the Neighborhood Watch program to reduce crime in the Sherman Oaks community. My efforts are still focused on the reduction of property crimes. With that being said, I encourage everyone to participate in a Neighborhood Watch program. Get to know your neighbors and interact with your local Police Department, it works! Please continue to take extra precautions in securing your vehicles and not leaving property behind, this will help reduce the incidents of Theft from Motor Vehicle. My Neighborhood Watch groups have been asked to forward the word, and to put crime prevention measures into practice. I cannot stress enough the importance of removing valuables from inside your vehicles. This simple step will help to maintain our reductions in property crime.

### **Crime Prevention Tips**

Let us watch out for one another as a community and be the “eyes and ears” for your Police Department. Please report all suspicious activity in your neighborhood. To combat auto theft, try to utilize a theft deterrent device such as steering wheel locks, alarms, etc. Be mindful of keeping doors and windows locked when leaving your residence. Often these points of entry are forgotten and left unsecured.

Senior Lead Officer Jose Saldana

Cellular Phone: 818-731-2565

Email Address: [30853@lapd.lacity.org](mailto:30853@lapd.lacity.org)

### **Crime Trends / Statistics**

There has been a slight increase in property crimes and aggravated assaults with a total of 2.2% year-to-date. The Department continues to push its slogan in the battle against vehicle break-ins “Lock it, Hide it, Keep it.” Please remember this when locking and securing your vehicles. Even for a short period, nothing should be left in your vehicles. Too many people continue to make themselves an easy target for Burglary from Motor Vehicles by leaving items in plain sight inside their vehicles. Please remember, what may not be valuable to you may be extremely valuable to someone else. Things such as change, CDs, clothing, cell phones, laptop computers, GPS units, and purses are just some of the targeted items. You must keep your vehicle free of any visible items to reduce your chances of becoming a victim. **REMEMBER, “LOCK IT, HIDE IT, KEEP IT”**

As for the Residential Burglaries, the majority of these happen during the day. The best defense against this is a strong Neighborhood Watch program. If you do not have one in your area, please contact me to learn how to get started.

### **Crime Prevention Tips**

We are utilizing as many resources as possible to combat all these problems. As you know, we cannot catch everyone on our own. Please help us help you by being aware of what is going on in your neighborhood and reporting any suspicious activity. Remember the best way to avoid becoming a victim yourself is to remove all valuables from your vehicle every time you leave it. Do not leave anything that is not attached to the vehicle in plain sight. Make sure your cars and homes are locked and secured using as many crime prevention tools as possible.

To see additional crime prevention information, go to the “crime prevention” section on the left side of the screen on our Department website, [\*\*www.lapdonline.org\*\*](http://www.lapdonline.org).

If you are interested in starting a Neighborhood Watch group or becoming a Block Captain for your area, or you were a Block Captain previously, please call me so that we can discuss your area. I can be reached during my workdays on my City cell phone at (818) 731-2565. If I am not working or unavailable to answer your call, leave a message and I will get back to you. The non-emergency number (**1-877-ASK-LAPD**) is ideal and the most common number used, but if it is an emergency please call **911**.
