Trespass Instruction Sheet

Your property has been identified as being located within the *Very High Fire Hazard Severity Zone*.

To address anyone who is not a lawful resident, guest, or visitor, on your property, please follow the protocols below:

1. If you are present when you observe an individual who is on your property unlawfully, you **ARE NOT REQUIRED** to have a *Trespass Arrest Authorization Form* on file with your local Police Department. Upon observing an individual who is on your property unlawfully, and it is not an emergency, you may call 877-ASK-LAPD. Please dial 911 for life threatening emergencies only. Upon the arrival of LAPD, you may request that a Private Person's Arrest be made.
2. If you would like LAPD to make an arrest in the absence of your presence, you **ARE REQUIRED** to fill out the Los Angeles Municipal Code Section 41.24 *Trespass Authorization Form* contained in this link. This form is your request and authorization to the LAPD to enter the indicated property and enforce Los Angeles Municipal Code §41.24, without you being present. Please review the form carefully and fill out the applicable boxes. In addition, please ensure that proper signage has been posted in accordance with Los Angeles Municipal Code Section 41.24 (a). Upon completion of the form, make a copy for yourself and provide your local Police Department with a copy.
3. You may follow one or both of the protocols listed.

The Trespass Arrest Authorization Form has been included in this link.

If you have any questions, please contact your local Police Department.
