

Off-Road Enforcement

The Off-Road Unit is comprised of a select group of Valley Traffic Division motor officers. The Off-road Enforcement Unit provides directed patrol and enforcement in rural area(s) not accessible by motor vehicles and in areas where increasing complaints of illegal off-road motorcycle activity have been reported. Working in conjunction with the Los Angeles Fire Department (LAFD), the Los Angeles County Sheriff's Department (LASD), the Park Rangers and the Bureau of Land management, the Off-road unit deploys its resources on random basis, primarily on weekends, holidays and during the heightened fire season. The Off-Road Unit runs a 24 hour on call emergency operations. During the identified fire season, the officers patrol the hillsides, Fire roads and trails and remind residents of their responsibility to keep roads clear for emergency vehicle access especially when a red-flag day is announced. The off-road operations are conducted throughout the 221.8 miles of the San Fernando Valley, including West L.A, Hollywood and North East. The Off-Road Unit is also involved with a youth outreach program called National Youth Project Using Minibikes.

For additional information and to report off-road related complaints, you can contact Sergeant Ron Alberca at (818) 644-8018 or via e-mail at 26184@lapd.online
